**CARIBBEAN CARDIAC SOCIETY**

**Hyatt Regency Trinidad, Port of Spain, Trinidad**

**July 23-26, 2025**

Onyinyechukwu Victoria Ijezue, DOMINICA (VIRTUAL)  
Striking a Discordant Chord-Thyrotoxicosis-Induced Cardiomyopathy  
and Atrial Fibrillation in a Young Cocaine-Using Musician

(10mins oral presentation, 5mins Q&A)

**SESSION: Cardiorenal Syndrome (8:40-9:00am) - Roy Tilluckdhary (Trinidad & Tobago)**

15mins **SPONSOR:** Fabio Mauricio Hernández Fonseca, COSTA RICA  
**BAYER**

Mineralocorticoid Receptor Antagonists and their role in the management of Cardio-Renal Diseases: Current Perspectives.

5mins Q&A

**SESSION: Society Session- Association of Black Cardiologists (9:00-9:30am) - Dawn Scantlebury (Barbados)**

20mins **FACULTY:** Anthony Fletcher, USA  
President, Association of Black Cardiologists

ABC's Model for Addressing Cardiovascular Deserts in Vulnerable Populations

10mins Q&A

**COFFEE BREAK & Visit to Exhibition Hall (9:50pm-10:20am)**

**SESSION: Imaging-MRI (10:20am-11:20am) - Taarik Dookie (Trinidad & Tobago), Deron Reid (Jamaica)**

20mins **FACULTY:** Vanessa Ferreira, UNITED KINGDOM  
Vice-President, Society for Cardiovascular Magnetic Resonance

The Investigation of Cardiovascular Diseases Using CMR - Basic principles and Clinical Applications

20mins **FACULTY:** Christopher Kramer, U.S.A.  
President, American College of Cardiology

Cardiac MRI in Ischemic Heart Disease and Cardiomyopathies

8-10mins Taarik Dookie, TRINIDAD & TOBAGO

Cardiac MRI - Expanding access.  
Audit and case discussion.

10mins Q&A

**SESSION: Innovations in Intervention (11:20-12:00pm) - Pravinde Ramoutar (Trinidad & Tobago)**

15mins **SPONSOR-**Yiannis Chatzizisis, USA  
**UHealth**

Use of AI for cardiac interventions

5mins Q&A

10mins Andrew Hall, TRINIDAD & TOBAGO

abcDeFg....Is 'F' better than 'D' - How are we using DFR (Diastolic hyperemia-free ratio)?

15mins **SPONSOR:** Joaquin Azpilicueta, SPAIN  
**Medical Trust Corp**

Novel Hertz Contact Intravascular Lithotripsy: Current status and future perspectives.

5mins Q&A

**LUNCH/SPONSOR SESSION: Innovations in Surgery (12:15pm-1:30pm) - Raymond Massay (Barbados)**

15mins **SPONSOR:** Joseph McGinn, U.S.A  
**Baptist Health**

The McGinn Technique in minimally invasive CABG

5mins Q&A

**SESSION: ANNUAL SURGICAL LECTURE (1:30-2:00pm) - Randolph Rawlins (Trinidad & Tobago)**

**38TH ANNUAL CARIBBEAN  
CARDIOLOGY CONFERENCE**  
Strengthening Hearts, Empowering Communities

**JULY**  
WED 23-SAT 26  
**2025**

**38th Caribbean Cardiology Conference**

**CARIBBEAN CARDIAC SOCIETY**

**Hyatt Regency Trinidad, Port of Spain, Trinidad**

**July 23-26, 2025**

20mins **FACULTY:** Professor Prashant Vaijyanath, INDIA

10mins Q&A

**SESSION: Cardiothoracic Surgery (2:00-3:00pm) - Wazir Mohammed (Trinidad & Tobago), Prof. Giovani Teodori (Italy/Trinidad & Tobago)**

8-10mins Randolph Rawlins, TRINIDAD & TOBAGO

Durability of Surgical and Percutaneous Mitral Valve Repair

15mins **FACULTY:** Professor Francois Roques/Tanous Aoun, MARTINIQUE  
l'Association de cardiologie des Antilles  
**VIRTUAL**

Caribbean Cardiac Innovations in the air

8-10mins Mark West, TRINIDAD & TOBAGO

Surgical Cases from Trinidad

8-10mins Randolph Rawlins, TRINIDAD & TOBAGO

Elective Interval Coronary Angiography after Coronary Artery Bypass Surgery-Patients Willingness To Consent
